THE WRITING REQUIREMENT

Students are strongly encouraged to fulfill the Writing Requirement during the first two years of study because it becomes increasingly difficult to schedule first-year courses as one moves through the curriculum.

The Writing Requirement differs somewhat between each of the four undergraduate schools at Penn. For Penn Engineering students, the requirement can be satisfied in one of the following ways:

1. **Any of the English Writing Seminars** 1-9, 12 or 125, satisfies the requirement. English 11 (Writing for International Students) may be used by international students for whom English is truly a second language. Engl 013 may be used by students who have transferred from another institution and who received Engl 013 transfer credit. Any of these courses may be used to satisfy a humanities requirement in the SSH category of either the BAS or BSE degree.

2. **Writing Seminars** are offered by the English Department as well as many other departments in Arts and Sciences. In addition, Penn Engineering offers EAS 009: Writing About Science and Engineering.

3. **MGMT 250:** "The Language of Leadership" may be taken to satisfy the Writing Requirement.

Note: **Students may not use A.P. credit to satisfy the writing requirement.** Courses used to satisfy the writing requirement may be taken pass/fail.

SOCIAL SCIENCE AND HUMANITIES COURSES

The depth requirement: a student should choose courses of personal interest which will provide in-depth study (two or more courses) of at least one subject in any SSH category.

Approved Social Science (SS) Departments:

Asian American Studies¹, Communications, Criminology, Economics², GSOC, Health and Societies, International Relations, Linguistics³, PP&E, Political Science, Psychology², Sociology², Science Technology and Society, Urban Studies, Women's Studies

Approved SS Courses Offered outside of SAS:

CIS 355, 590; EAS/BE 303; LGST 101, 210; FNCE 101, 103; BPUB 201, 250; NURS 333, 533

Approved Humanities (H) Departments and Courses:

African Studies, Africana Studies, Anthropology, Ancient History, Architecture⁴, Art and Archeology of the Mediterranean World, Art History, Asian American Studies⁵, Cinema Studies, Classical Studies, Comparative Literature and Literary Theory, East Asia Languages and Civilizations, English, Fine Arts, Folklore, Germanic Languages, History, History and Sociology of Science, IPD, Jewish Studies, Latin American and Latino Studies, Music, Near Eastern Languages & Civilizations, Philosophy⁶, Religious Studies, Romance Languages, Slavic Languages, South Asia Studies, Theatre Arts. Additionally, any foreign language course and any of the following courses will fulfill this requirement: CIS 106; EAS 009, 200, 310.

Approved Substitutions:

Up to two SSH courses may be substituted from the "Technology in Business and Society" course category.

These are limited to: BE 280, 503; CIS 125, 355, 590; EAS 9, 125, 280, 345, 346, 348, 349, 400, 401, 402, 445, 446, 448, 449, 500, 502, 548; IPD 549, MEAM 399, and MSE 266.

TECH ELECTIVES

Any of the following may be used: ASTR 11, 12, 111, 250, 390, 410, 411, 412; BCHE; BE 305, 505, 513; BBIB **except** 227; BIOL 91, 92, 100+ **except** 130, 446, 544; CAMB; CHEM any **except** 11, 12, 22, 12; CIS 260, 261, 262, 313; EAS 205, 210, 401, 520; ENM; ESE 301, 302; GCB; GEOL 109, 130, 200+; MATH any above 104 **except** 122, 123, 130, 150, 151, 170, 174, 180, 212, 220, 475; MEAM 110, 147; MSE 215, 221, 260, 330, 422, 430; PHIL 5, 6; PHYS 50, 51, 93, 94, 140, 141, 150+ **except** 500; STAT 430, 431.

* CHEM continued from front: CHEM 091 is acceptable in this department, but it is not equivalent to CHEM 101. Therefore, pre-med students or students who might transfer out of CBE will still need CHEM 101 credit. We highly recommend taking the placement test regardless.
